

# DENTAL SERVICE

*For children and adults with **mild to moderate intellectual disability***

Bellarine Community Health is expanding its successful personalised Autism Dental Service to include adults and children with mild to moderate intellectual disability.

This trial service has been made possible through funding from the State Trustees Australia Foundation.

**Appointments are available from April.** For more information call 0419 736 731. Participants and carers can also register interest online at [www.bch.org.au/projects/id-dental](http://www.bch.org.au/projects/id-dental)

---

## ELIGIBILITY

Registered clients of mental health and disability services, supported by a letter of recommendation from their case manager or staff of special developmental schools.
